

National Waterways Conference

Tracy Zea

President/CEO

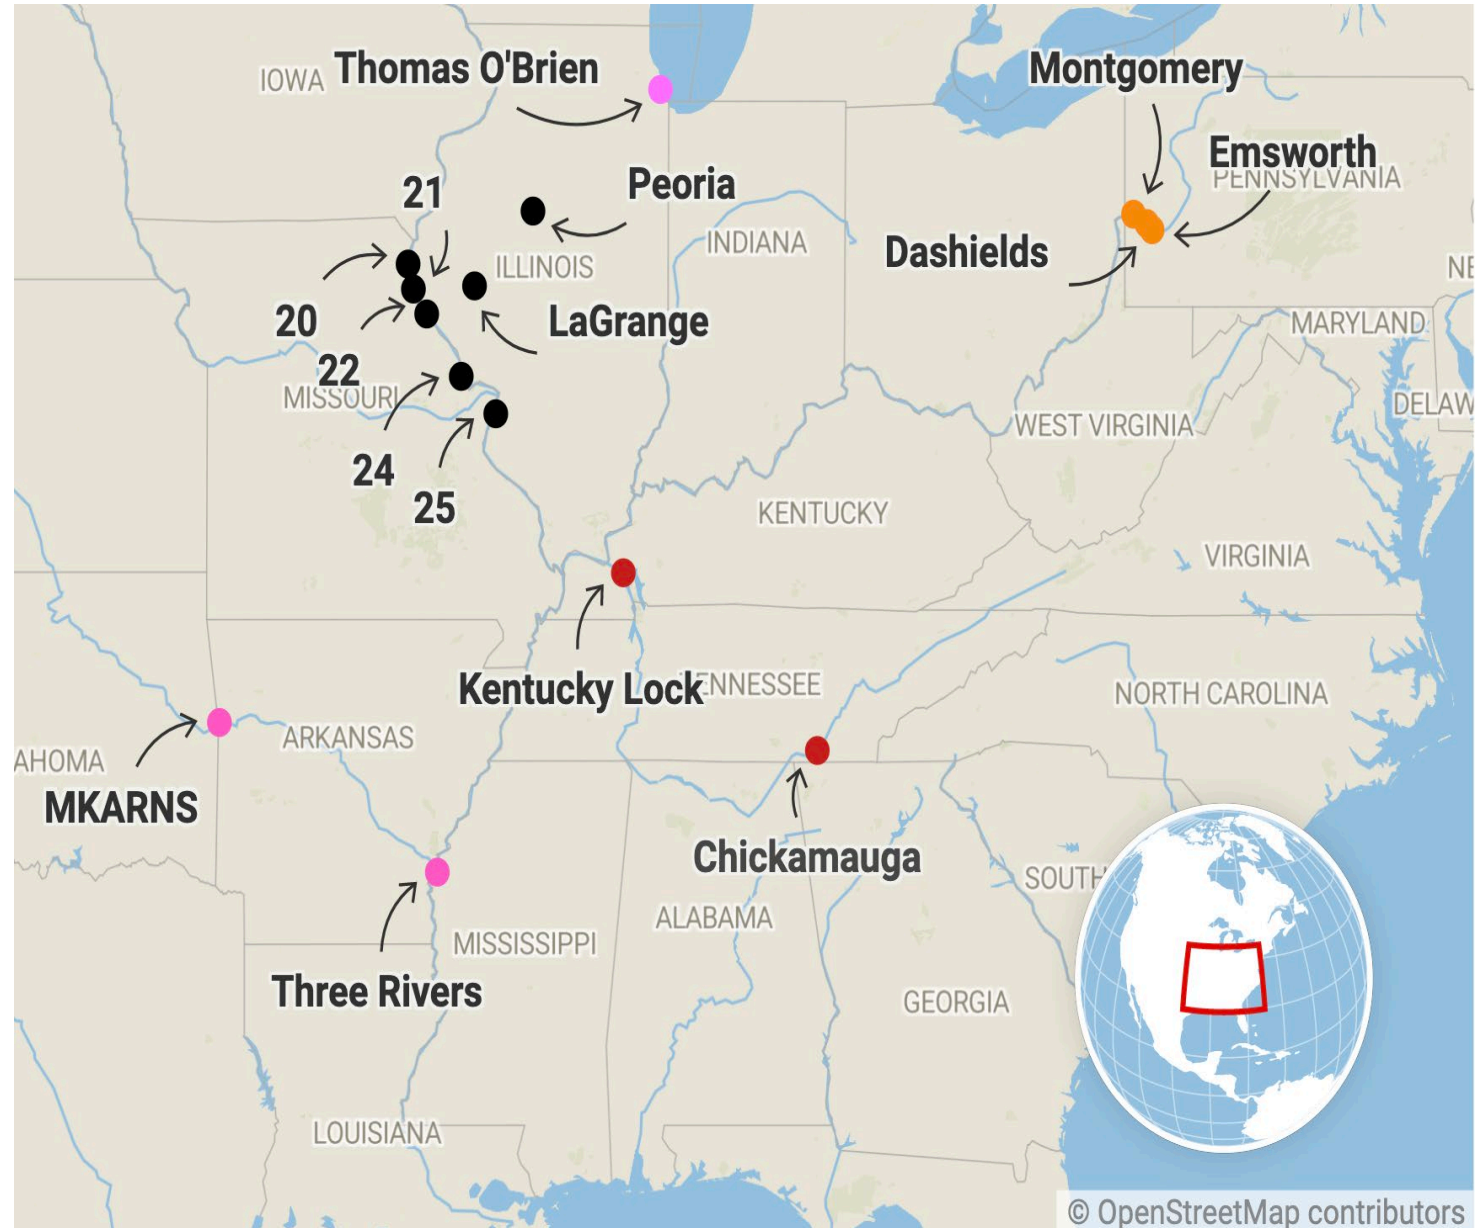

Waterways Council, Inc.

9/23/2021

Infrastructure

- August 10 the Senate passed infrastructure bill w/69 Senators voting yes.
- All Democrats voted yes, along with 19 Republicans.
- The bill includes \$2.5 billion for construction of inland waterways.
 - \$2.5 billion coupled with yearly appropriations provides for over \$4 billion of funding the next five years
- House has a non-binding Sept. 27th deadline to vote on infrastructure
